

Subject: Automated Unit Pickup & New Website

SCHEDULING VEHICLE PICKUP USING VOICE MAIL

We went to this system two months ago and I want to say thank you for using and working with us on this. The reason was several:

1. No wait time for you to give us your information
2. 24 hour scheduling no matter if the office is open or closed.
3. No missed calls
4. Accuracy, by providing your name, spelling, unit type and gate code there is practically no chance for error.

If you have not used the semi-automated system yet it goes as follows:
